

Solicitations in Schools

Outside agencies shall not sell to students on school grounds during school hours including school-sponsored activities unless the sales are for the financial benefit of students. "Students" may be the student body as a whole or any school-recognized student group such as but not limited to Future Homemakers of America, Future Farmers of American, band, or Student Council.

All sales shall be authorized by the superintendent prior to commencement of the sale.

Adopted: June 1989

Revised: October 1991
