

## Dolores Elementary School Newsletter- "The Galloping Goose"

---

Oct. 10th, 2019

Issue: 8

Dear Dolores Families,

As many of you may already know, there is a new face in the front office. I would like to give a warm welcome to our new school secretary, Erin Schumaker. She has been working very hard getting to know all of the kids, their families, and our staff and is doing an amazing job! We are so excited to have her join our Dolores Family.

Our Mindset for next week is Lead with Value - When we find people who can help us in life, we need to start building those relationships quickly so the cycle of giving can begin. A lesson many have learned is that if we seek ways to provide help before asking for help ourselves, we will get much more out of the relationship. We should always look for ways to lead with value to supercharge these relationships. People who are giving of themselves and seek to help others find that when times are tough they have people in their lives that they can count on to help them succeed because they have formed valued relationships.

Enjoy your long weekend,

Mrs. Howerton
