

Dolores Elementary School Newsletter- "The Galloping Goose"

Oct. 31st, 2019

Issue: **11**

Dear Dolores Families,

Oh my goodness, I think winter has arrived a bit early this year. Please make sure students are coming to school with their winter coats and gloves. We love for students to be outside running and playing and sometimes it doesn't really warm up until later in the day. We don't want any of our kiddos turning into little popsicles out there so, bundle up.

Just a reminder, changes to the end of day routines must be done prior to 3:00. Mrs. Shoemaker begins her end of day announcements at 3:15 calling each child to let them know of the change and sometimes there are as many as 25 changes each day. During the time she is making announcements she is not available to answer the phones. Messages do not get checked until she has finished, which is around 3:30. It is imperative we get this information prior to 3:00 to ensure students make it to their correct destination.

On November 6th, there will be a meeting held at the Dolores Community Center to discuss the Master Plan. It would be wonderful to have some elementary parents present to take part in this discussion in order to hear your thoughts and views concerning a district remodel of the existing campus structures versus new construction at a different site. I have attached the flyer below with the details. I hope you will be able to join us!

Have a safe and happy Halloween,

Mrs. Howerton

PS- Don't forget to turn back your clocks this weekend for Daylight Savings.
