Dear Dolores Families,

This week is our last lesson for Live to Give Mindset, "Leave a Legacy" - The only thing left when we leave this life is the impact we had on others and the world. The true meaning of our lives is only apparent when it transcends us. That's why it's vital to find those things that we're passionate about and orient our lives around the legacy we want to leave. We must make our lives transcend us.

Please join us next week at our Character Day in the Aux Gym @ 1:00 as we celebrate the Mindset, Live to Give.

If you are interested in serving on the calendar committee to assist in the 2020-21 school calendar, please call the district office and give your contact information to Laurie Arnett. There will be a lottery drawing of those interested. District Office (970)882-7255

Lastly, I would like to say thank you for the patience and support that has been shown as we have implemented our new Raptor security system.

Have a wonderful week,

Mrs. Howerton
