

Communities That Care of Montezuma County Summer Youth Project

Communities That Care of Montezuma County (CTC) needs your help! We are seeking current Montezuma County middle school and high school students who can design a creative and youth friendly project statement (aka, elevator pitch) and short video gain more youth interest in CTC.

What's in it for you? By completing the project you will get \$250 stipend, help CTC gain more youth involvement, and video credit for all of Montezuma County to see!

HOW TO GET INVOLVED:

Email Melanie Begay, CTC Community Mobilizer, at the Montezuma County Public Health Department about your interest in the project. mbegay@co.montezuma.co.us

PROJECT DETAILS:

- To receive \$250 stipend you will need to submit completed project statement and video to Melanie Begay by June 22, 2020.
- You must be willing to work with other youth who are involved in the project.
- Project Statement (aka, elevator pitch). We want youth to help us develop a pitch to get more youth involved in CTC.
- Video/Commercial. We want youth to help create a video to get more people involved in CTC.
- CTC coalition members will help youth brainstorm ideas.
