Principal's Message

Dear Little Bear Families,

We are thrilled to add a few new end of the year events, but we also had to reschedule a few events due to unforeseen circumstances. Please update your calendars and feel free to call our office if you need any clarifications. We will request changes be made to the district calendar, as well. Please continue to watch for teacher announcements for event details, any additional events, or changes to current events.

We only have 22 days of school left, and we are so proud of all that our Little Bears have accomplished this school year. Please remember that we are going to finish the year strong with many important learning experiences, celebrations, and gatherings; and you can help by making sure your child arrives by 8:00 and only misses school when absolutely necessary. Also, please do not leave children unattended prior to 7:30. Thank you so much for your support to help us maintain good attendance until our very last day!

We also would appreciate your help in spreading the word that choice enrollment for next school year is open! We are so grateful for those of you who recommend us to friends, family, and neighbors! Please let them know that registering early guarantees them a seat for the 2022-2023 school year, and they can sign up at the district office or call 970-882-7255 for more information. Thank you so much for your kind referrals; we are truly grateful!

As we transition from spring to summer, please dress your children with layers. We're seeing some shivering in the mornings and sweating by noon. They are welcome to bring a change of clothes in their backpacks, too!

Thank you for your continued encouragement, support and volunteer hours! We are more grateful than we could ever express for your involvement, and we hope to see you at our upcoming events soon!

Warmly,
Lurleen McCormick, MA, Ed.S
Elementary School Principal
