Knowledge Bowl

Home Competition
September 12, 2022

SPORTS

HS Volleyball

The High School Girls Volleyball Team hosted Norwood Thursday. Our C and JV made improvement throughout the week and the Varsity swept the Mavericks. The Team plays host to Pagosa Springs tonight.

MS Volleyball

Our Middle Volleyball Teams season kick started last week with back to back nights of action for the B and C team against Ouray and Telluride. While the A Team defeated Telluride in its only action. This week they will be at home vs Dove Creek and Mancos.

HS Football

Injuries and illness hit the HS Football Team last week and they were unable to play their game vs Monticello. Look for a week of rest, then to prepare for SoRoCo September 9, with an adjusted game time of 2 PM.

MS Football

First game vs Nucla did start off how the coaches planned but the night ended with the coaches feeling more confident about the upcoming game this week at home vs Dove Creek. Kick-off is at 5 PM.

X-Country Travels to Basalt Inv

The High School boys and girls traveled to El Jebel Colorado to run in the Basalt Longhorn Invitational. The change was due to the cancelation of the Cortez Meet. The coordinated efforts of the coaches and parents culminated with our HS teams running in the event on Friday. There were some good times run and our team was able to see different competition. Next week they run in Monticello.
