First day of school- 6th grade Orientation

We have set aside this day just for 6th graders. There are many new experiences that come with being a 6th grader. This orientation is designed to help your child feel comfortable with their schedule, the Teachers, finding all their classrooms, using a lock on a locker, and much more. It is going to be a fun-filled day of learning about our school, playing games, and enjoying a BBQ.

Lunchtime BBQ- The school will provide hot dogs for your child's lunch this day, but we ask that you help us with the rest:
