ACTIVITIES

Knowledge Bowl

Home Competition is Today September 12, 2022. This will be the teams first event of the year.

Please share a word of encouragement as you see our participants. Coach Tyler Nielson is excited about another successful season.

SPORTS

HS Volleyball

The High School Girls Volleyball Team hosted Mancos Thursday and Ridgway on Saturday. We dropped one vs Mancos but all three teams swept Ridgway. The Team will be back in action in Telluride Saturday morning.

MS Volleyball

Our Middle School Volleyball Teams continue to dominate. The B and C Team will play Ridgway tomorrow in Ridgway. This weekend Dolores will host a quad with Mancos, Ridgway and Ouray. The concession stand is available for student groups looking to raise funds. Contact Katie Mikkelson.

HS Football

The High School Football team overnighted in Steamboat Springs for their game with SoRoCo. The game was back and forth but SoRoCo took the lead midway through the 4th quarter and thwarted a late attempt by the Bears to tie. The Bears host Rangeley this Friday at 7PM.

MS Football

Middle School Football will play Durango Miller tomorrow in Durango at 5. They will have another chance at Nucla to avenge an earlier loss this Thursday at home with the game start time of 5 PM.

Cross Country in Alamosa

Cross Country's season continues to run. Last weekend the Middle School and High School teams tent camped overnight in Sand Dunes Recreation in Alamosa.

The following morning the athletes made their way to the large meet that hosted middle and high schools across the state as well as college programs. This event came on the heels of the Monticello race where the Bears were a force. This Saturday's race will be in Bayfield at 9 AM.
