#### **ACTIVITIES**

#### **Knowledge Bowl**

Our knowledge bowl team heads to Dove Creek today to compete in this years second competition.

## **SPORTS**

## HS Volleyball

The High School Girls Volleyball Team played Ignacio last week. Our ladies had some great rallies but came up on the wrong end of the score. This week is rivalry week as the Lady Bears look to avenge an earlier loss to Mancos. C Team game starts at 4:30 in Mancos.

#### **MS Volleyball**

Telluride is relieved to no longer have the Lady Bears on the schedule because of the Lady Bears tenacity. Next game is Saturday vs Norwood C Team starts at 11. Only a few more games remain and then Telluride may have to face us again.

### **HS Football**

IThe support Friday was amazing as it was homecoming with many former students attending-even our Supt and School Board provided refreshments. Plateau Valley was in town and the Bears gave a valiant effort vs visiting Cowboys. They may not have won but they made several big plays throughout the game. The team did add an All-Star as head coach Joe Gonzales welcomed a son this weekend. Please see photo for a likeness of the future Dolores Bear.

#### **MS Football**

Middle School Football hung tough with Dove Creek this past Thursday. Their game this week vs Mancos has been moved up to Wednesday at 5 PM at home in Dolores.

# Another Strong Showing in the Springs

Those that have been around Middle School Boys know there is no shortage of energy. Our boys used that to place 3rd as a team at last weeks meet. Our HS Girls continue to lead the pack at the past few meets they have attended. All 4 of our runners placed in the top 10. If you would like to see the 4 teams run; October 1st they will be in Mancos.
