Dear Dolores School Learning Partners,

As a parent of a student at Dolores School, you have the right to know the professional qualifications of the classroom teacher who instructs your child. This is a requirement for all schools that receive Title I funds. Federal Law allows you to request certain information about your student's classroom teacher. The law requires the district to give you this information promptly upon your request. Listed below is the information about which you have the right to ask regarding each of your student's classroom teachers:

- Whether the Colorado Department of Education has licensed or endorsed your student's teacher for the grades and subjects taught.
- Whether CDE has decided that your student's teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.
- The teacher's college major; whether the teacher has any advanced degrees, and, if so, the subject of the degrees.
- Whether any teacher's aides or similar para-educators provide services to your child and, if they do, their qualifications.

Please contact Alesa Reed at 882-7255 if you want to receive any of this information.

Thank you,

Alesa Reed
Executive Director of Curriculum, Instruction, and Assessment
