ACTIVITIES

Knowledge Bowl

It is ON today for our knowledge bowl team. Today's event is virtual and is being hosted by Ridgway. Check back here at the same time next week for the results.

<u>SPORTS</u> HS Volleyball

What a week for the Lady Bears of the court. Games vs Nucla and Norwood both went 5 sets. JV had a huge win over Nucla on Tuesday. Overall the Volleyball program continues to improve. Each team is gaining confidence and growing in competitiveness, thanks in part to the help of Coach Hill and the Coaching Deputy Kaylee G. This week the team will play State Ranked Dove Creek on Thursday in Dove Creek. The C Team will start at 4:30.

Cross Country

The Cross Country team will take a week off as they prepare for the Regional Meet in Delta on October 21st. What am I saying? There will be no rest as they continue to run all over Dolores The Middle School preparing. Team concluded its season at Durango this past week and all indications point to the building strong cross country of a foundation for the foreseeable future.

HS Football

The Bears fell behind early to Sargent and were not able to recover. The team has a Thursday game this week against the Magpies of Mancos. Mancos is one of the top 8 man teams in the state, so bring your outdoor voice to the game.

MS Football

Middle School Football concluded its season last Tuesday with a huge win over Monticello. It was an exciting season from start to finish. Our young men improved their skills and grew together as teammates. We are appreciative of the work Coach Wickstrom and his staff put in to make this season a success.

2022 League Champs

The Middle School Volleyball team lost its last regular season game with Mancos on Thursday, marking the 3rd loss this season to them. The team had a 3 seed behind Norwood and Mancos and was slated to open tournament play on Saturday with Mancos. In the 3rd set it all turned around, the team was down 11-7 when the Lady Bears rallied and finished off Mancos for good. Afterward the girls could not be stopped and cruised to a 2 set victory over number one seed Norwood for the title of League Champions!
