

## ACTIVITIES

### Knowledge Bowl

Yesterday the MS and HS teams traveled to Mancos. Our HS Team took 3rd and 7th Place and our MS team finished 2nd and 5th. The next event will not be until November 7th.

## SPORTS

### HS Volleyball

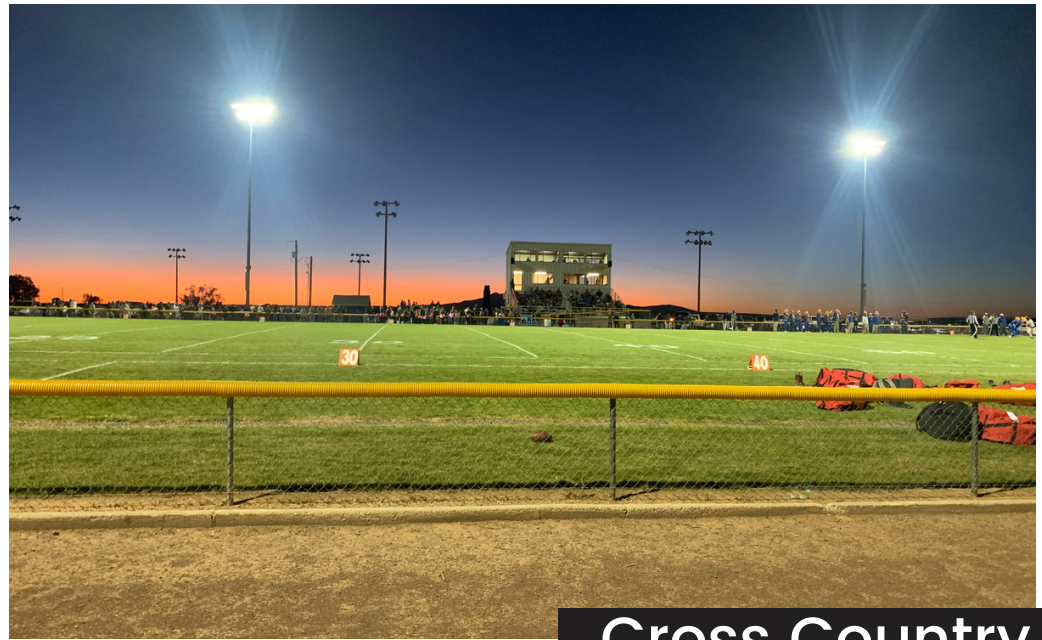

Volleyball will play its final regular season game tonight in Ignacio. Currently the Bears are 4th in the 2A San Juan League.

With a Norwood win over Telluride and a Dolores win over Ignacio the Bears would secure the number 3 position. Last week our Seniors were honored vs Telluride. The game went to 5 sets but in the end the Miners avenged a 5 set loss to Bears from earlier in the season. The ladies bounced back with a 3-0 win vs Ridgway.

### Winter Sports

As Fall Sports begin to wind down and the weather begins to cool, the Dolores Bears will begin moving inside the den. Do not worry these Bears do not hibernate. Instead they wrestle and throw an orange ball through a metal hoop. HS Basketball season is upon us, we are still a couple of weeks away from the start of practice but the Coaches have been hosting open gyms and are anticipating the teams' identities' this year.

Wrestling will also start on November 14, "Do you smell what the Bears are cookin'?"

### HS Football

The Bears ran in to the number 2 ranked team in the State of Colorado last week.

The team made some exciting plays including a 76 yard reception. However, the experience across the field was too much for this mostly young team. Friday night at 6PM the Bears host Sanford in the season finally.

### MS Basketball

Middle School Basketball got underway last week with the A and B playing a game in Nucla and then games against Mancos, Nucla, and Dove Creek. The team is expecting an exciting year. They will host Dove Creek Thursday and Ouray on Saturday at home in Dolores.

## Cross Country Ends Run

The Cross Country Team completed the 2022 Season at the Regional Meet in Delta Colorado. Each of our high school boys had personal best at the meet. With the addition of the 8th graders next year the forecast for the Dolores Boys' Cross Country looks favorable.

Our girls team continued their consistency and ran a great race. Elia Lowe finished 4 runners away from an individual invitation to the State Meet and Keira LaRose finished 25th. Needless to say this heavy Sophomore Class will be on a mission this offseason.
