

Dear Dolores Fans and Parents,

I hope this email finds you well. As we strive to provide the best possible experience for our patrons and maintain the high standards of our athletic programs at Dolores High School, it becomes necessary to make occasional adjustments to our operational policies. This communication serves to inform you about an upcoming change in ticket prices for Dolores High School athletics events.

After careful consideration and in response to the escalating costs associated with organizing and hosting athletic events, the Dolores High School Athletics Department, in alignment with the San Juan Basin League, has decided to adjust ticket prices effective 11/28/2023. The new ticket prices will be as follows:

- Adults: \$7
- Students: \$5
- Seniors: \$5

These adjustments are essential to address the rising expenses related to officials, facility maintenance, and other event-related costs. We believe that these changes are necessary to maintain the high quality and integrity of our athletic programs.

It is important to note that these adjustments are not unique to Dolores High School but are part of a broader initiative within the San Juan Basin League. The League has collectively decided to increase ticket prices to ensure that member schools can continue to offer competitive and well-organized athletic events.

We understand that any increase in costs may raise concerns, and we want to assure you that these adjustments are made with careful consideration for the overall benefit of our athletic community. The additional revenue generated will be reinvested into enhancing the overall experience for our athletes, spectators, and the community at large.

We appreciate your continued support and understanding as we navigate these changes. If you have any questions or concerns regarding the new ticket prices, please feel free to reach out to Curtis Garver at cgarver@dolores.k12.co.us

Thank you for your ongoing support of Dolores High School athletics.
Sincerely,

Curtis Garver
Dolores HS/MS Athletic Director
