

Secondary Business Teacher

Job Description

Overview

We are seeking a dedicated and passionate High School Teacher to join our educational team. The Secondary Business Teacher will develop and deliver curriculum on business fundamentals and advanced concepts, preparing students for business careers. They will also create lesson plans, assess student performance, and provide guidance on academic and career matters, and a commitment to fostering a positive learning environment for students. This role requires effective communication skills, creativity in lesson planning, and the ability to engage students in their academic journey. Experience in private school settings and knowledge of Montessori methods are highly desirable.

Responsibilities

- Develop and implement engaging lesson plans that align with curriculum standards.
- Assess student progress through standardized testing and provide constructive feedback.
- Communicate effectively with students, parents, and colleagues to support student development.
- Provide tutoring and additional support for students who require extra assistance.
- Foster a positive classroom environment that encourages student participation and collaboration.
- Utilize proofreading skills to ensure all instructional materials are accurate and clear.
- Support the social and emotional development of students by understanding childhood development principles.

Requirements

- Bachelor's degree in Education or a related field; teaching certification preferred.
- Experience working with children in an educational setting, particularly in high school.
- Excellent communication skills, both verbal and written.
- Familiarity with standardized testing practices and assessment strategies.
- Experience with Montessori education is a plus but not required.
- Ability to create inclusive lesson plans that cater to diverse learning styles.
- A passion for teaching and commitment to student success.

Join us in shaping the future of our students through innovative teaching practices and a supportive educational environment.
