**Concessions Report:** Megan absent so no report

### OLD BUSINESS:

- Bear Wear Report -
  - Wondering if we can figure out how to take payment through the website
  - Hoping to find a Bear Wear Coordinator
- Homecoming - Successful. Need to revisit about concessions at our next meeting with Megan.
  - Student Council swag - worked well for us to give them money after their visit to our meeting in Sept for them to purchase their own swag
  - Bonfire - Ordered 25 pizzas @ \$168. Too many s'mores ingredients were purchased - make sure to purchase less, or just skip next year - didn't seem to be very popular. Don't need plates - only napkins for pizza.
  - Signs around town for students - looked great but were very difficult to implement. Ideas for next year: one banner per class w/every kid's name. Or, individual signs with velcro to put kid's names on there for the week, then remove & reuse each year. Could order red signs w/Bear on them;

no sports/activities or one activity per student. Dani will price out signs and report back.

- Flags - Megan and Levi Hill put up flags on Railroad
- Banners on each side of town
- Football game - Remember to have EZ up over Bear Wear next year, with weights for tent. Wondering if Rylee can get a main key for one night next year to make things easier.
- Want to create HoCo punch list

**New Business:**

- Basketball start dates. MS boys start now; slight lull in concessions
- Dani will connect with Megan about helping with concessions. Nina can also help get students who need community service to help w/concessions.
- Parent Teacher Conferences: Rylee is ordering food for teachers from the Italian during P-T conferences - about \$240, plus Megan is getting salad stuff.
- Builder's meeting for concessions - Friday @ 9:45am to see plan for new concessions area

Next Meeting- Wednesday, November 5th, 2025 - 5:00 p.m. @ Ag Room.

Meeting adjourned at 6:18 pm.
