

## District Accountability Committee Meeting Minutes

**Date:** September 16, 2025 **Time:** 5:15 p.m. **Location:** District School Board Meeting Room, 100 N. 6<sup>th</sup> St. Dolores/Google Hangouts

Attendance: Ginny Johnson, Staci Cost, Molly Cooper, Lucas Werner

- I. **DAC Monthly Meeting Process -**
- II. **FSCP Rubric and MTSS Report-out -** Staci and Mary reviewed the FSCP rubric and added additional narrative regarding translating more information. Ginny attended the MTSS meeting on September 15<sup>th</sup>. This is the final year of MTSS funding under the COMTSS grant program. There is some uncertainty as to future funding, but the regional MTSS team is proceeding with planning assuming funding is renewed. The team will be focusing on improving student performance in Math by aligning the curriculum. The district has scheduled 6 curriculum alignment days this school year where educators and administration will collaborate on the project. It was noted that the State of Colorado has changed the math standards and the district will develop a plan to incorporate these changes into the curriculum. Katherine Freeman suggested that the DAC work with Jamie Madigan with the Colorado Department of Education on family engagement. We will invite Jamie to a DAC meeting, hopefully in October.
- III. **Parent Concern Elementary Recess-**the commity discussed the concerns of a parent of an elementary school student centered around the amount of time at recess. The committee agreed that the DAC is an advisory group, not an advocacy group. We will send an email to Superintendent Reed to seek advice on what the next steps for this parent should be. We will also encourage the parent to participate in the S-CAP survey as a method of having their voice heard.
- IV. **SCAP Survey -** Molly is going to work on a flyer for the survey that we can put up around campus for the month of October. We will put information in the district newsletter, and ask Superintendent Reed if we can send the flyer home with Teddy Bear and Elementary students, and put a link to the survey on the website. Ginny will create a sign-up sheet for DAC members to have a presence at the parent-teacher conferences/MS showcase/open house on October 16<sup>th</sup> to engage with parents about the survey.

- V. Budget Recommendations:** this line item will be a standing item on the agenda every month to ensure that all members have opportunity to identify potential budget recommendations, and to capture any items discussed in the meeting that may have a budget impact. No additional items were identified at the meeting.
- VI. Future Business –** family engagement, DAC membership, board charge, S-CAP surveys, DAC longevity.  
Staci inquired about DAC members who may be interested in Co-Chairing this year. The committee discussed sharing leadership roles at future meetings, such as facilitating meetings and assistance with implementing initiatives, without adding the title of Co-Chair. We will discuss more at the October meeting. Molly volunteered to facilitate the November meeting.

Meeting adjourned at 6:27 P.M. DAC's next regular meeting is planned for Tuesday, October 21, 2025 at 5:15 P.M. and will be held at the district office and on Google Meet.
