VII. Business Items

A. Artaic - Chris Guarino
    1. Building update
        - Chris gave an update on the playground construction and how that is taking shape.
        - Showed updates on the HS building including the learning stairs as well as the rest of the inside of the building and how large it seems.
        - Also gave an update on the MS building and how it has been gutted and is well under way to renovation
        - Commons infill has the slab and framing all in progress.
        - Ag Lab has exterior framing and interior framing underway
        - Budget is tracking well
            - Boiler trigger has not been pulled yet
            - Hard cost and soft cost have not had many changes.
        - The building should still be ready to move into Winter break .
